

## An active day with the kids

Nearby you'll find a large number of activities suitable for the whole family.

### The river Lot, the pool and more

Of course Augusta Bédurier offers its own large private pool (11 x 5 mtr), which you can enjoy on a warm day. Besides the pool there are plenty of possibilities at the border of the Lot river to cool down on a summers' day.

Looking for an active day? Near Souillac you'll find leisure park [quercyland](#).

### Caves

Several caves in the Lot department can be visited. The cave of [Pech Merle](#) lies in the valley of the Célé river, near the village Cabrerets. In the two-kilometer long cave prehistoric murals can be found, which are counted among the best looking in France. Furthermore, it is a beautiful stalactite-featuring cave. In the cave one can admire, amongst other things, drawings of oxen, horses, mammoths, deer and figures of which the meaning is unknown. Furthermore one will find in these caves stenciled hand-prints, drawings of people and a number of fossilized footprints.

[Gouffre de Padirac](#) is one of France's most impressive caves. The entrance to the cave is a gigantic hole 50 meters in diameter and 100 meters deep. From there one departs, first by boat and later on foot, to discover the caves. This is one sight that shouldn't be missed!
